3. M.12. Continue the process of alignment and articulation of the ECE curriculum within...

Additional Comments:

- M2- How can we tell a private program that they have to pay more? It may be ideal but shouldn't we begin the talks
- Will it really work and support [?]
- This is about children and will affect them
- With a credential there should be more money but not with just 12 units
- M7 This was a number 1 for a group We are already doing this in many ways and will continue and want to do this
- M6 Who is higher education? Are we sure it is community college or 4-year college?
- M12 If we say this is important than will this give teeth or more mandate to the CSU accepting the CAP System
- M23 there was one person for this section
